

OUR WORLD IS YOUR KINGDOM

OUR STORYBOOK HISTORY

Disney VIP Tours began with the original *Disneyland*® Ambassador Program started by Walt Disney himself at *Disneyland*® Park in California. From the first Ambassador, Julie Reihm Casaletto, to today's team of Cast Member Tour Guides, we strive to make your Resort experience a dream come true.

MEET YOUR HOST

Disney VIP Tour Guides are handpicked and expertly trained to ensure your visit is practically perfect in every way. Clad in their iconic plaid costumes and sporting their “D” pin representing Walt himself, these Cast Members know the Resort intimately and help to plan the perfect itinerary.

YOUR DISNEY TIME

Even before you get whisked away, your VIP Tour Guide will ask about your wishes for the day. They'll use their expertise to craft a unique and time-efficient touring plan just for your group. You and your party can even experience our most popular attractions with little to no wait time thanks to expedited access via *Disney FastPass+* service.

YOUR CARRIAGE AWAITS

Every Private Tour includes private transportation. Your VIP Tour Guide will even pick you up at your local accommodations and transport you to backstage locations that offer quick access to the magic. And whenever you want to head to another Park or back to the *Disney Resort* hotel, your guide will have a vehicle close by ready for you.

ROYALLY RESERVED

You won't have to worry about securing the best seats in the house for select parades, live shows and stunning nighttime spectaculars*. Just let your VIP Tour Guide know which shows you'd like to see and they'll escort you to reserved viewing areas.

*Entertainment offerings have limited availability and may be restricted by capacity constraints at time of booking and are subject to change without notice.
